TSC Apparel Continues Growth, Expanding Reach in the Southeast

Cincinnati, OH – February 3, 2010 -- TSC Apparel announces plans for new facilities in mid-Georgia and Atlanta to further expand service in the Southeast region.

In late April 2010, TSC Apparel will open a new 100,000 sq. ft. distribution center in middle Georgia and a new sales office and pickup warehouse in Atlanta.

In making the announcement, TSC President Jim Eaton stated, "The Southeast is an important market for TSC but as we have grown the past few years, we have been constrained by our warehouse limitations. The new distribution center doubles our current capacity in the Southeast, while expanding our one-day ship zone in the Florida market. The new Atlanta sales office and pickup warehouse will continue service and convenience to the metro Atlanta market."

TSC recently announced a new location in Houston, Texas which opened in January of this year.

TSC Apparel supplies imprintable sportswear to the Licensed Apparel, Corporate Promotional Products, and Uniform industries, stocking and sourcing more than 1800 styles of tees, fleece, headwear, sport shirts, outerwear, and accessories from over 40 name brands such as American Apparel, Anvil, Dickies, Gildan and Tultex. TSC currently operates from locations in Cincinnati OH, Fullerton CA, Atlanta GA and Houston TX.
