TSC Apparel's Houston Distribution Center Opens

Cincinnati, OH – February 11, 2010 -- TSC Apparel announces the grand opening of their new distribution center located in Houston, TX!

Last month, TSC Apparel began operations at their new distribution center in Houston. The addition of the Houston location complements TSC's other centers in Cincinnati OH, Atlanta GA and Fullerton CA, with its ability to provide next-day ground shipping across much of Texas, Louisiana and Oklahoma. The new distribution center is stocked and ready with inventory from TSC's most popular brands, including American Apparel, Anvil, Gildan and Tultex. As with all TSC Apparel locations, orders placed by 5:30 will ship same-day and pick-up hours are from 7:30 am to 6:00 pm daily. TSC is also planning to welcome customers and the community to check out the new facility with their Open House event in the Houston warehouse on March 26th.

In making the announcement, President Bob Winget said "TSC has thrived despite the recent unfavorable economy, and when we decided to increase our distribution network, Texas seemed the perfect fit. We're excited to come to the Houston market, where a great base of industry leaders in ad specialty, screen printing and embroidery and have been demanding a more reliable source who is there for them everyday: We plan to fill that void with our deep inventory, quick delivery and unmatched customer service."

TSC Apparel is the successor company in ProFill Holdings' 2000 acquisition of T-Shirt City and California Shirt Sales, and subsequent merger with Georgia Tees – three long recognized industry suppliers that have played prominent roles in developing the imprinted sportswear supply chain over the last 30 years. TSC Apparel supplies imprintable sportswear to the Licensed Apparel, Corporate Promotional Products, and Uniform industries.
